I went on two treks with them, Bedni and Ali last year & Brahmatal this year. The experience was amazing, the trek leader Narri had a good idea about the place, the geography and the history! It's always good to hear local folklore on treks. Do go for treks in that region with them

Awesome trek experience.... Professional and helpful trek leaders... Meals were tasty.... Adequate support was provided to all the trekkers.... This trek was a great refresher for me... I highly recommend this trek to all the trekkers aspiring to witness the view from Brahmatal summit point
